

Lincoln Road Package Store Reviews

Toni Lee 5 Stars –

“Love, Love, Love this store! Not only is everyone friendly, but they have a huge selection of whiskey, bourbons and other liquors. They recommend great stuff all the time and its spot on. Great prices. It’s the only liquor store my husband uses.”

SVN 5 Stars -

“The staff is very hands on and knowledgeable about their selections. I always leave trying something new. The location is another big plus. Our staff and residents at Woodshire Duplexes and Townhomes find it very convenient.”

Jamie and his wife have some of the best single barrel picks you will ever find. They have an amazing palate and keep a large supply of picks on hand that are constantly changing. Forget the Pappy and George T Stagg, get a Lincoln Road pick or two and kick back and watch all the others waste their time and money.

Jeff Mitchell 5 Stars –

“So rare to find a liquor store owner that totally understands his customers because he is one of us. He knows what to keep in stock, knows what's on the horizon, and picks some amazing barrels. Thank you for being you.”
